So Kunal called me up and said that his son will be coming to our city for some work.

I've asked him to stay with us while he's here.

Okay, I'll clean up the guest bedroom for his visit.

Mom, who is Kunal?

He used to be your father's college room-mate. He and your father were very close friends.

Ohhh you mean Kunal chacha! He used to get me those tasty cream filled chocolates!

But bhabhi, we'll be busy with the preparations for the Puja.

and our husbands will be at work.

Oh you are right. Don't worry, Savita will stay at home in the afternoons to keep him company.

Oh no! I was planning on going to Ankit's house while his parents are away.

You've improved a lot in the last week Ankit. You don't cum as quickly as you did earlier.

Thanks Savii ... It's all due to the daily blowjobs.

The Next Day

I'm glad I finally got to meet you uncle. I've heard so much about you from my Dad!

You too Rajesh. I remember the last time I saw you when I came to Delhi; you were only six years old.

Dad, Aren't you going to introduce me to Rajesh Bhaiya!

Wow!

Wow, he's a total hunk...

Wow what a babe! I can't even pull my eyes away from those sexy breasts. She's totally my type.

What are you standing here daydreaming for Savvi? Introduce yourself to Rajesh properly?

So where are my cream filled chocolates ?

Your dad always brought one box for me when he came over.

Ohh...errr...sorry ...  
I'll get one for you tomorrow Savita!

Stop teasing him Savita.

I'm sorry for my daughter's behavior Rajesh. She can be very naughty sometimes.

You must be tired from the journey Rajesh. Why don't you go up to the guest room and freshen up?

I'll call you down when dinner is ready!

Oh ... your tits  
are so big Savita!  
Shit I would love to  
suck on them!

I can imagine every guy  
you meet probably wants to  
stick his cock between those  
tits and then fuck the shit  
out of them!

Oooh Rajesh...  
your hard cock feels  
so great when it rubs  
against my soft skin...

Pretty pink nipples like  
these need to be pinched  
hard Savvi...

Yeessss...  
That feels so good  
Do it more... Pinch my  
nipples harder...

He is thinking of doing  
naughty things to me with  
his big cock...

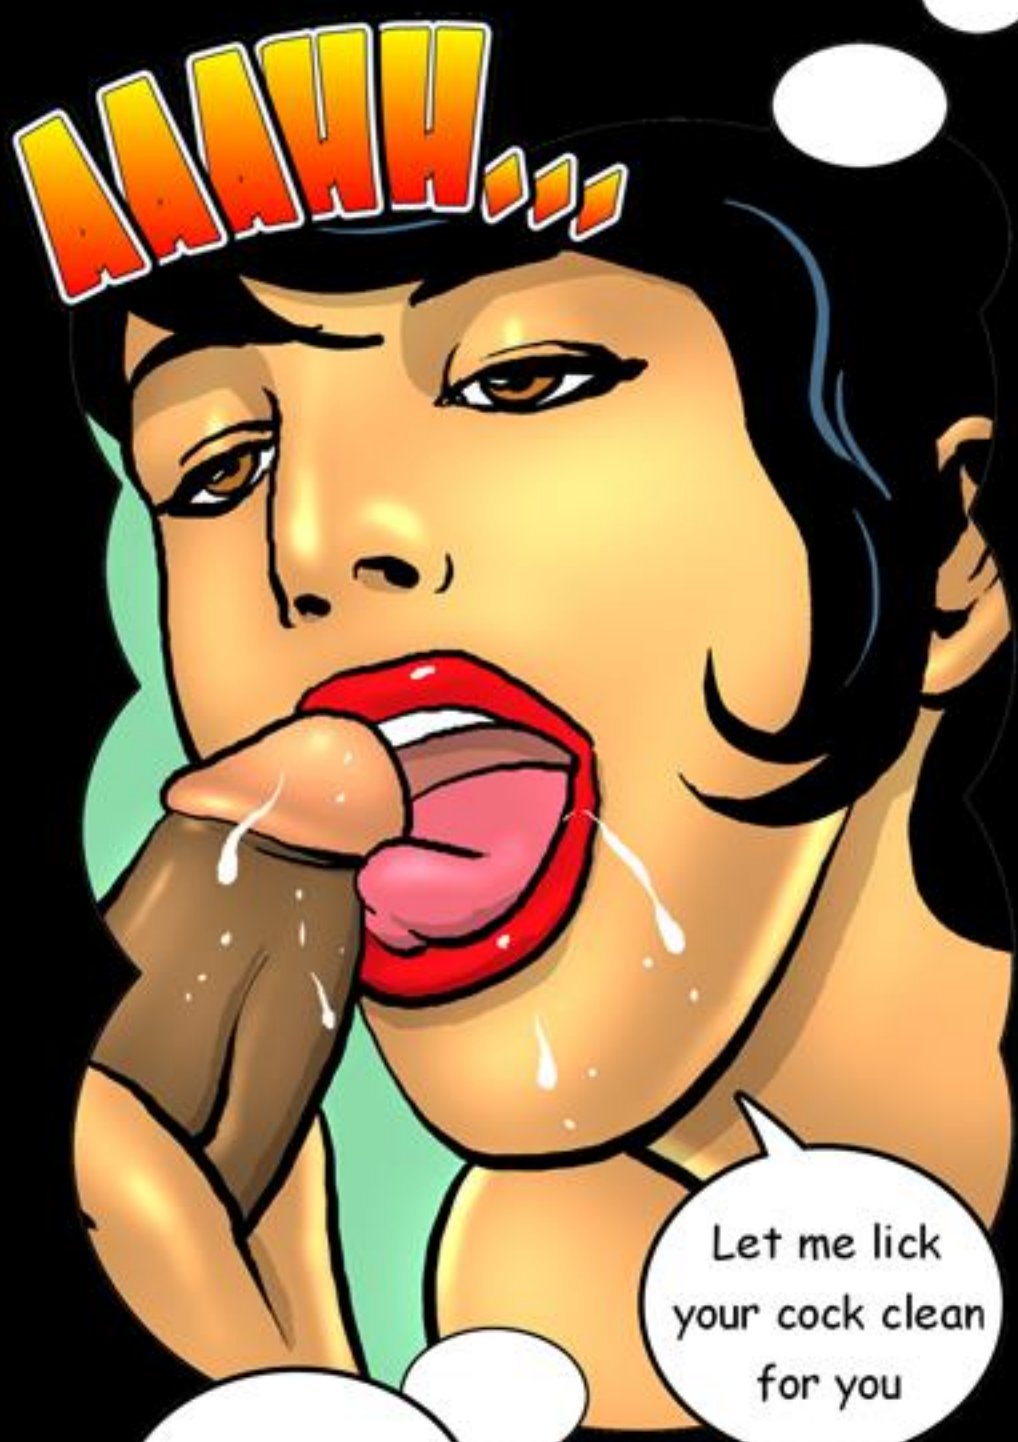

Oh yeah Savvi...  
You look so good with  
cum all over your  
body!

Savvi! You are  
going to make me  
cum more!

Yesss... do it...  
Cover me in your  
thick cum...

Let me lick  
your cock clean  
for you

Ahhhh...I'm  
cummingggg...

HHH...

HHH...

Me too... Your  
Savita is cumming  
too.

This is my chance to get out of here!

I'd better clean myself up before going to dinner...

At Dinner...

I'm sorry that we have to go out tomorrow Rajesh. But Savita will be staying at home with you.

No problem aunty... Your work is important too. I'll pass my time with Savita at home.

What do you want to do tomorrow Savita?

Don't worry . I'll plan a very special day that both of us will enjoy.

Later that night...

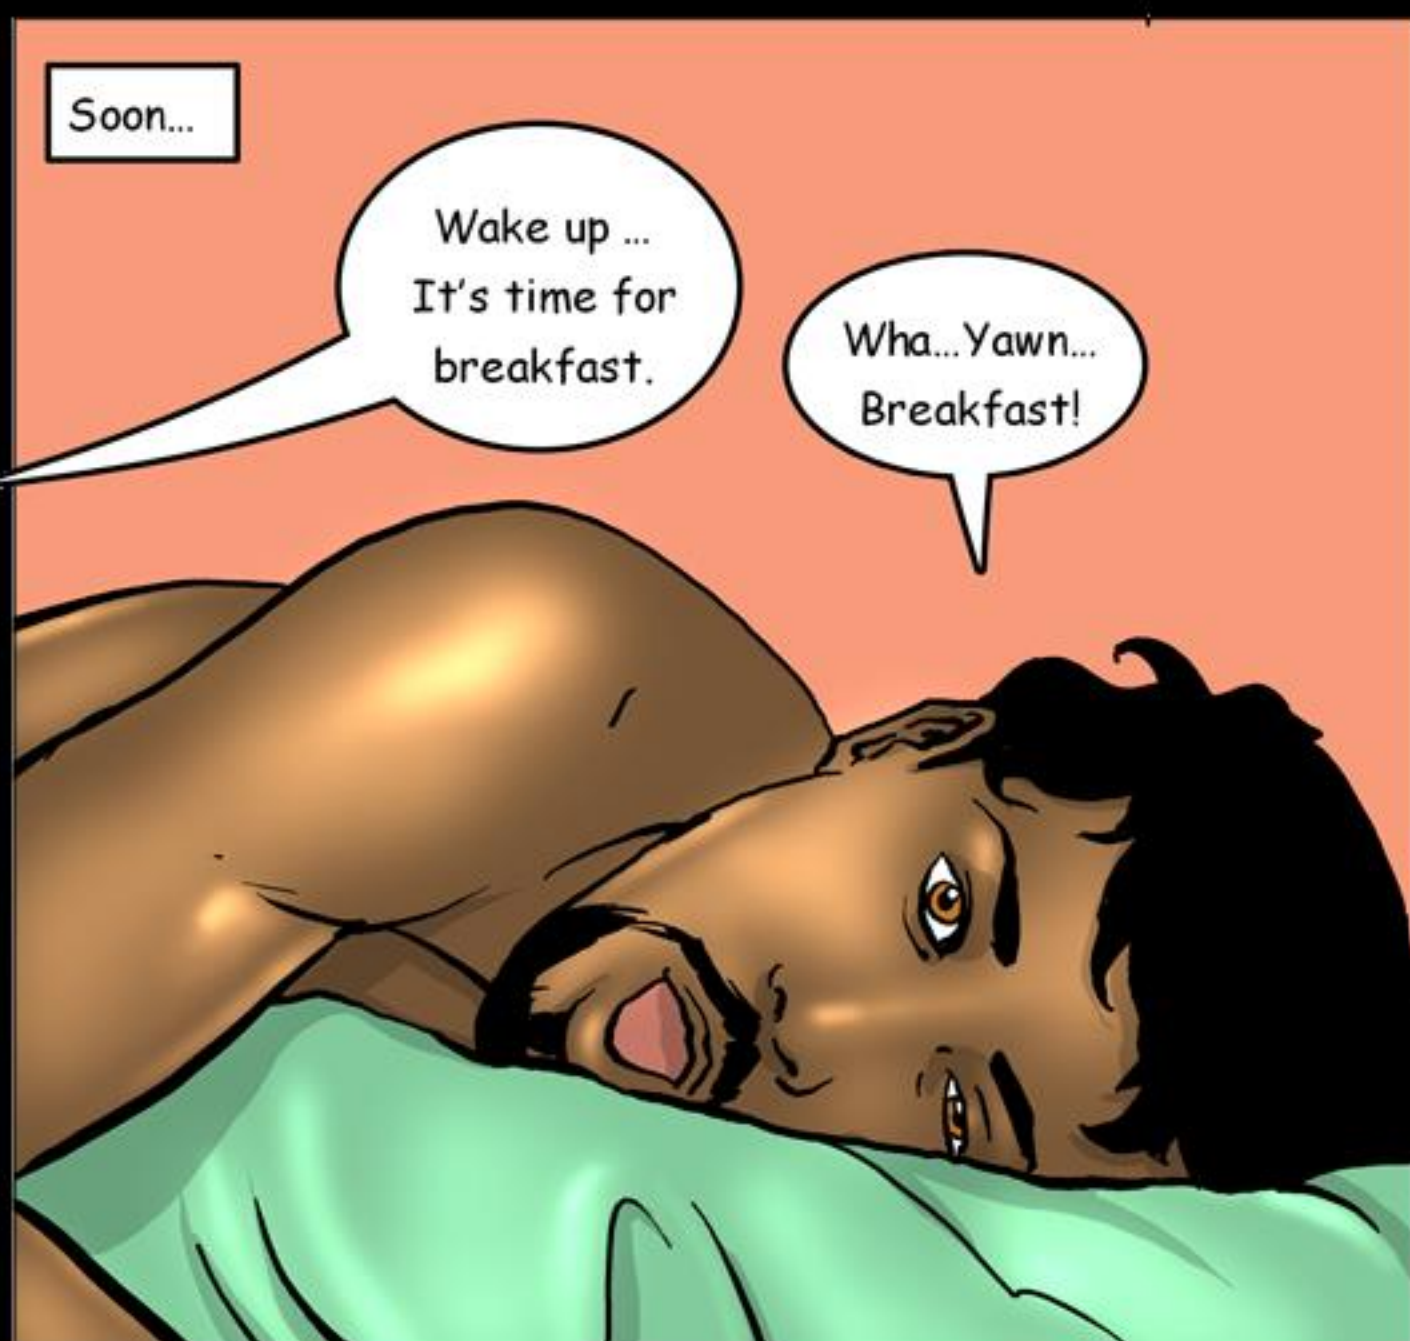

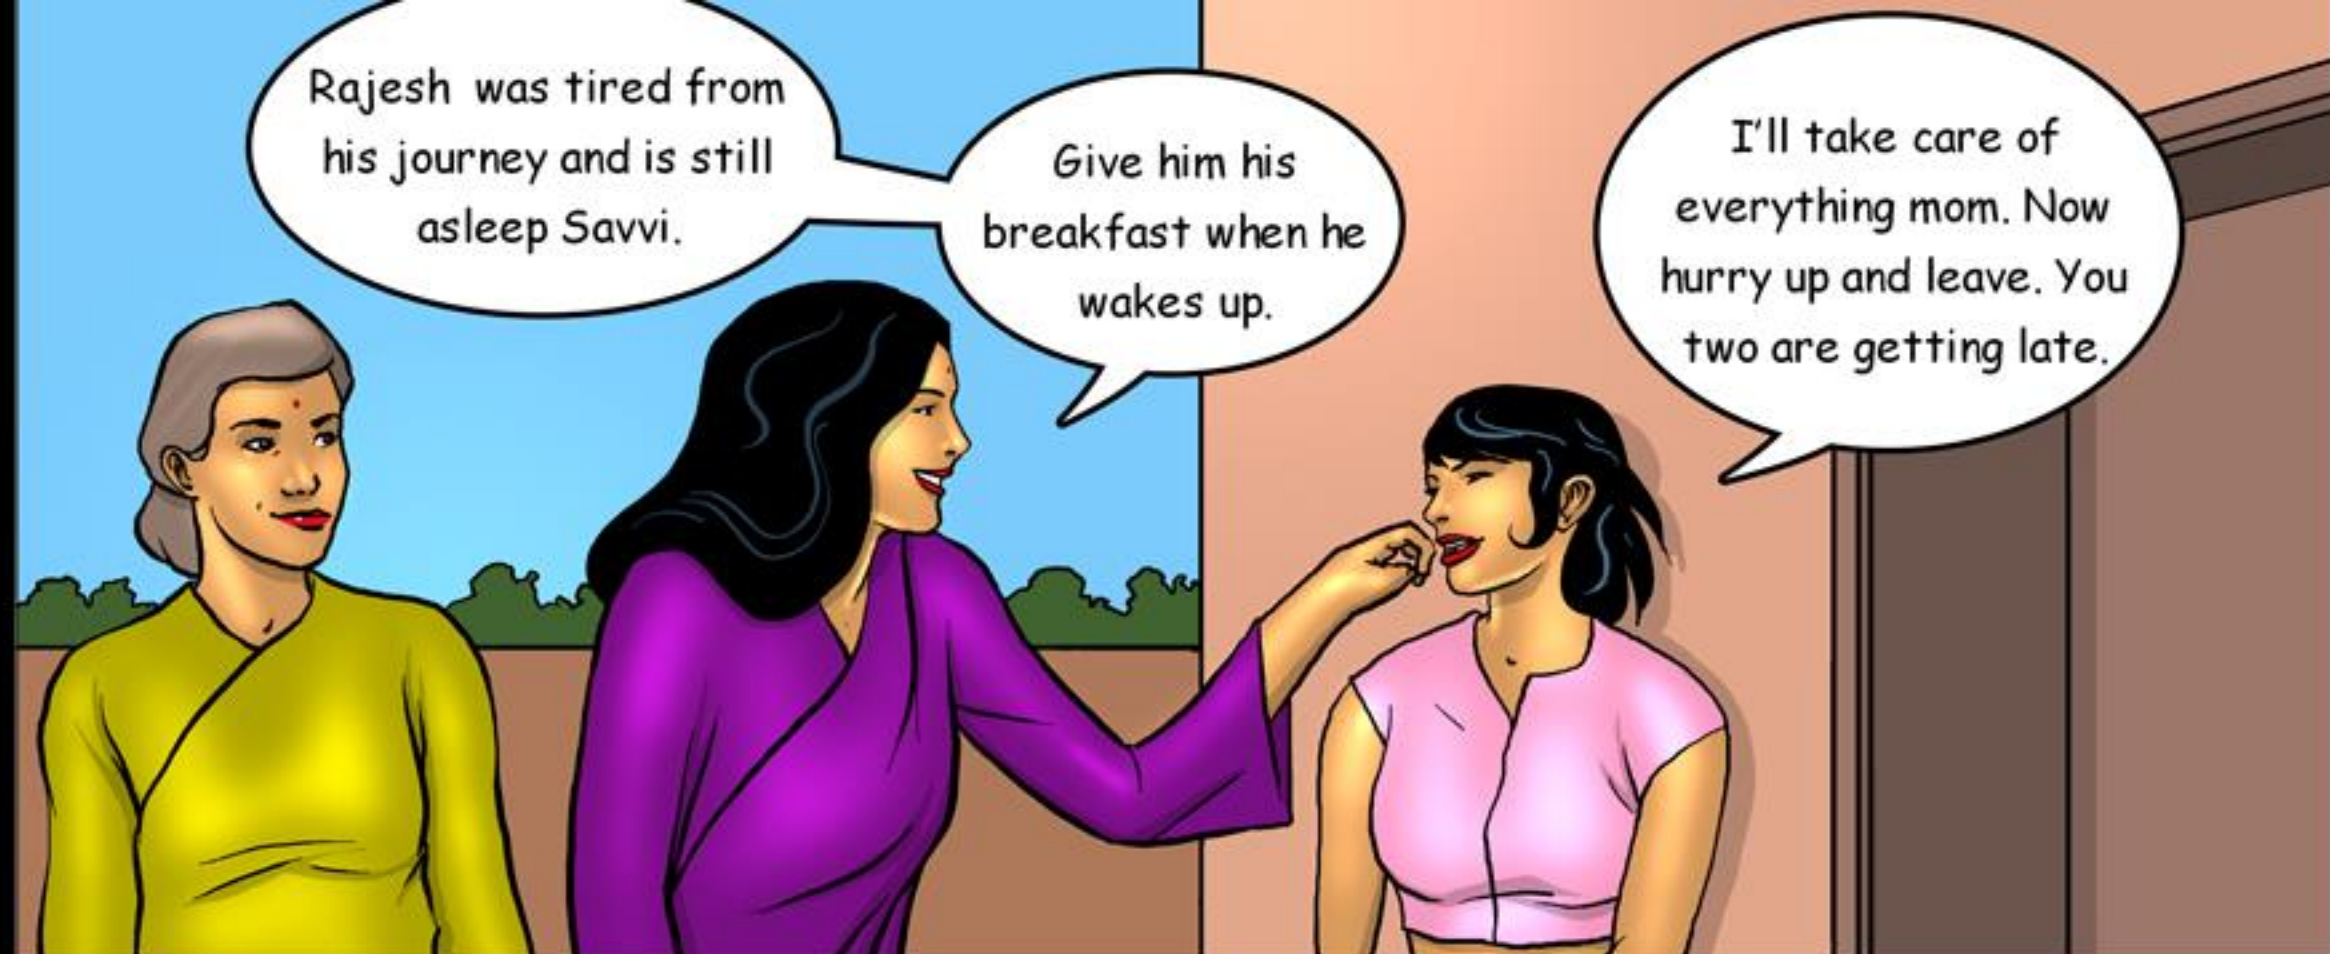

I'm sorry Ankit but I can't come over tomorrow. But can you do me a favor?

What is it Savita?

Can you come by here tomorrow morning and drop off the CD of the movie we were watching last Sunday.

He-he... I know which movie you mean. Don't worry; I'll get it to you in the morning.

(giggle) Putting on my old tight clothes was a great idea.

They are hardly able to contain my breasts anymore.

Look at her boobs peeking out from that top. Maybe she's too innocent to realize the effect her dress can have on men!

CLICK

5 minutes later...

This is a good movie Savita; I hadn't seen this one before...

FINAL FANTASY  
THE SPIRITS AWAKE

Just wait another minute ; The real movie is about to start...

What the... What happened to the movie? Why did it stop?

I don't know ...

Mmm... Your cock tastes amazing...

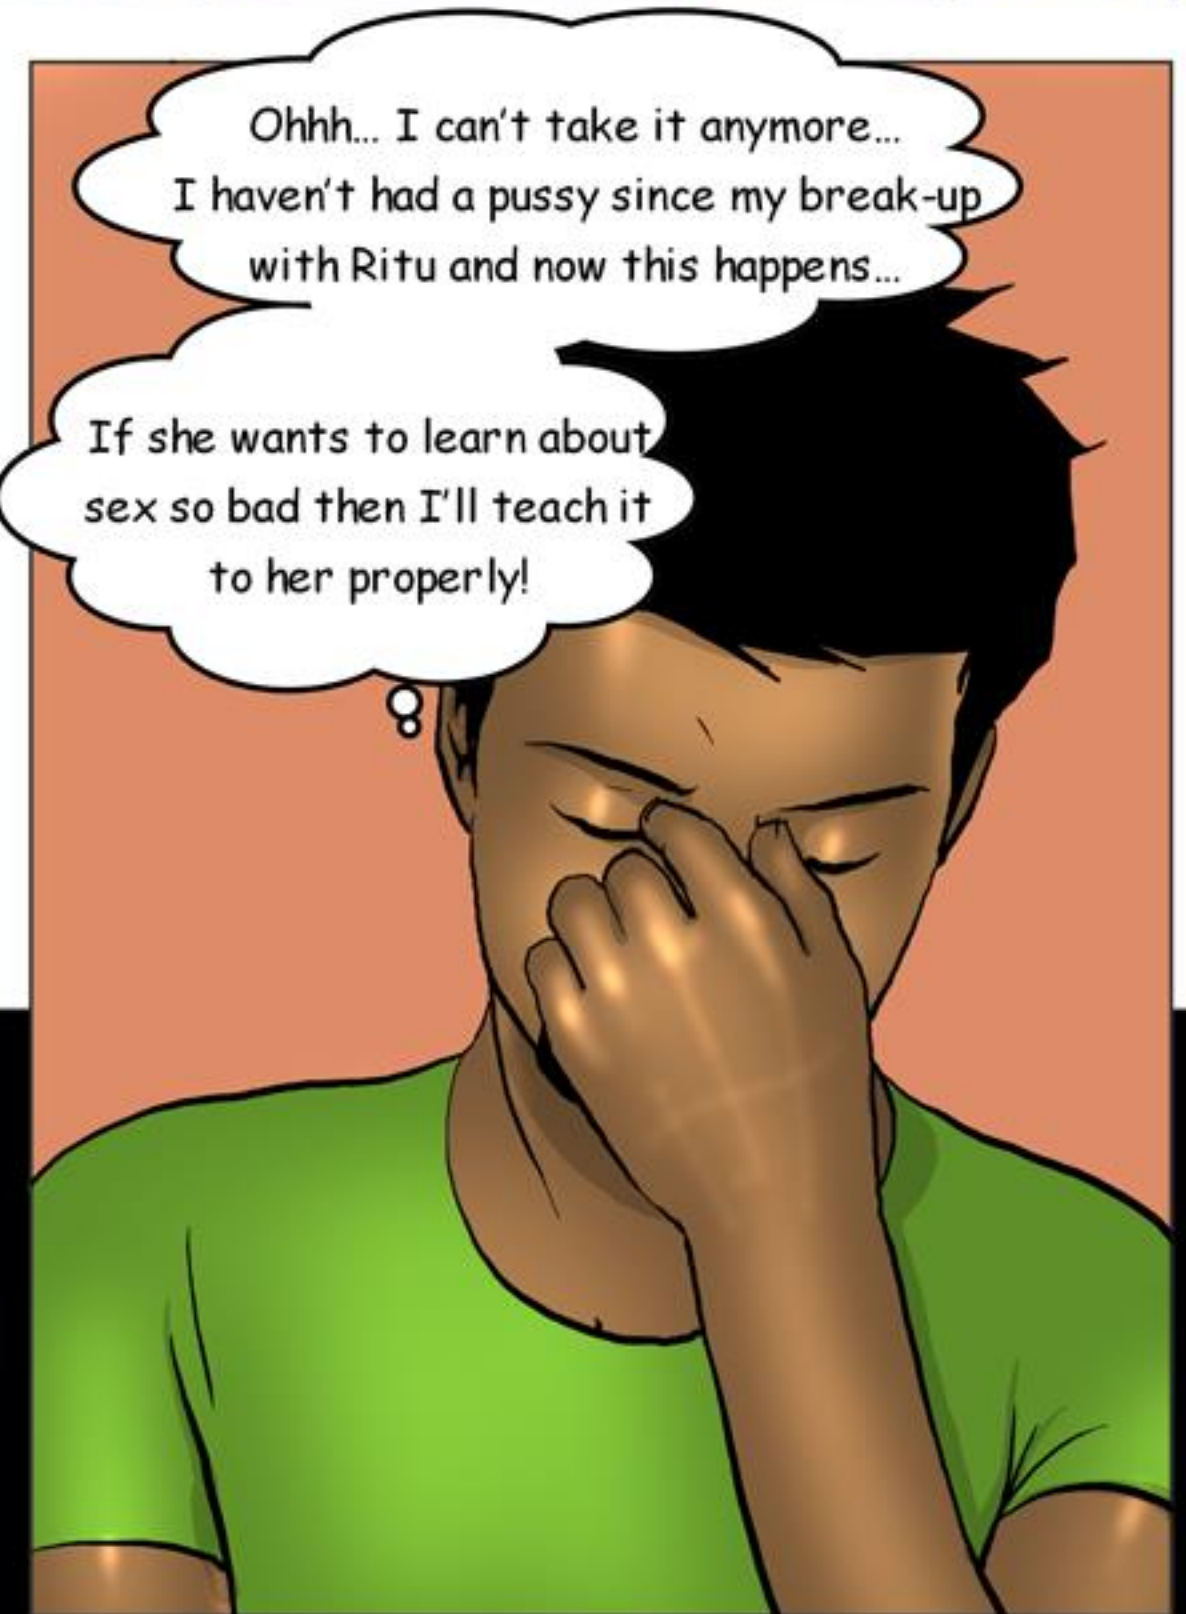

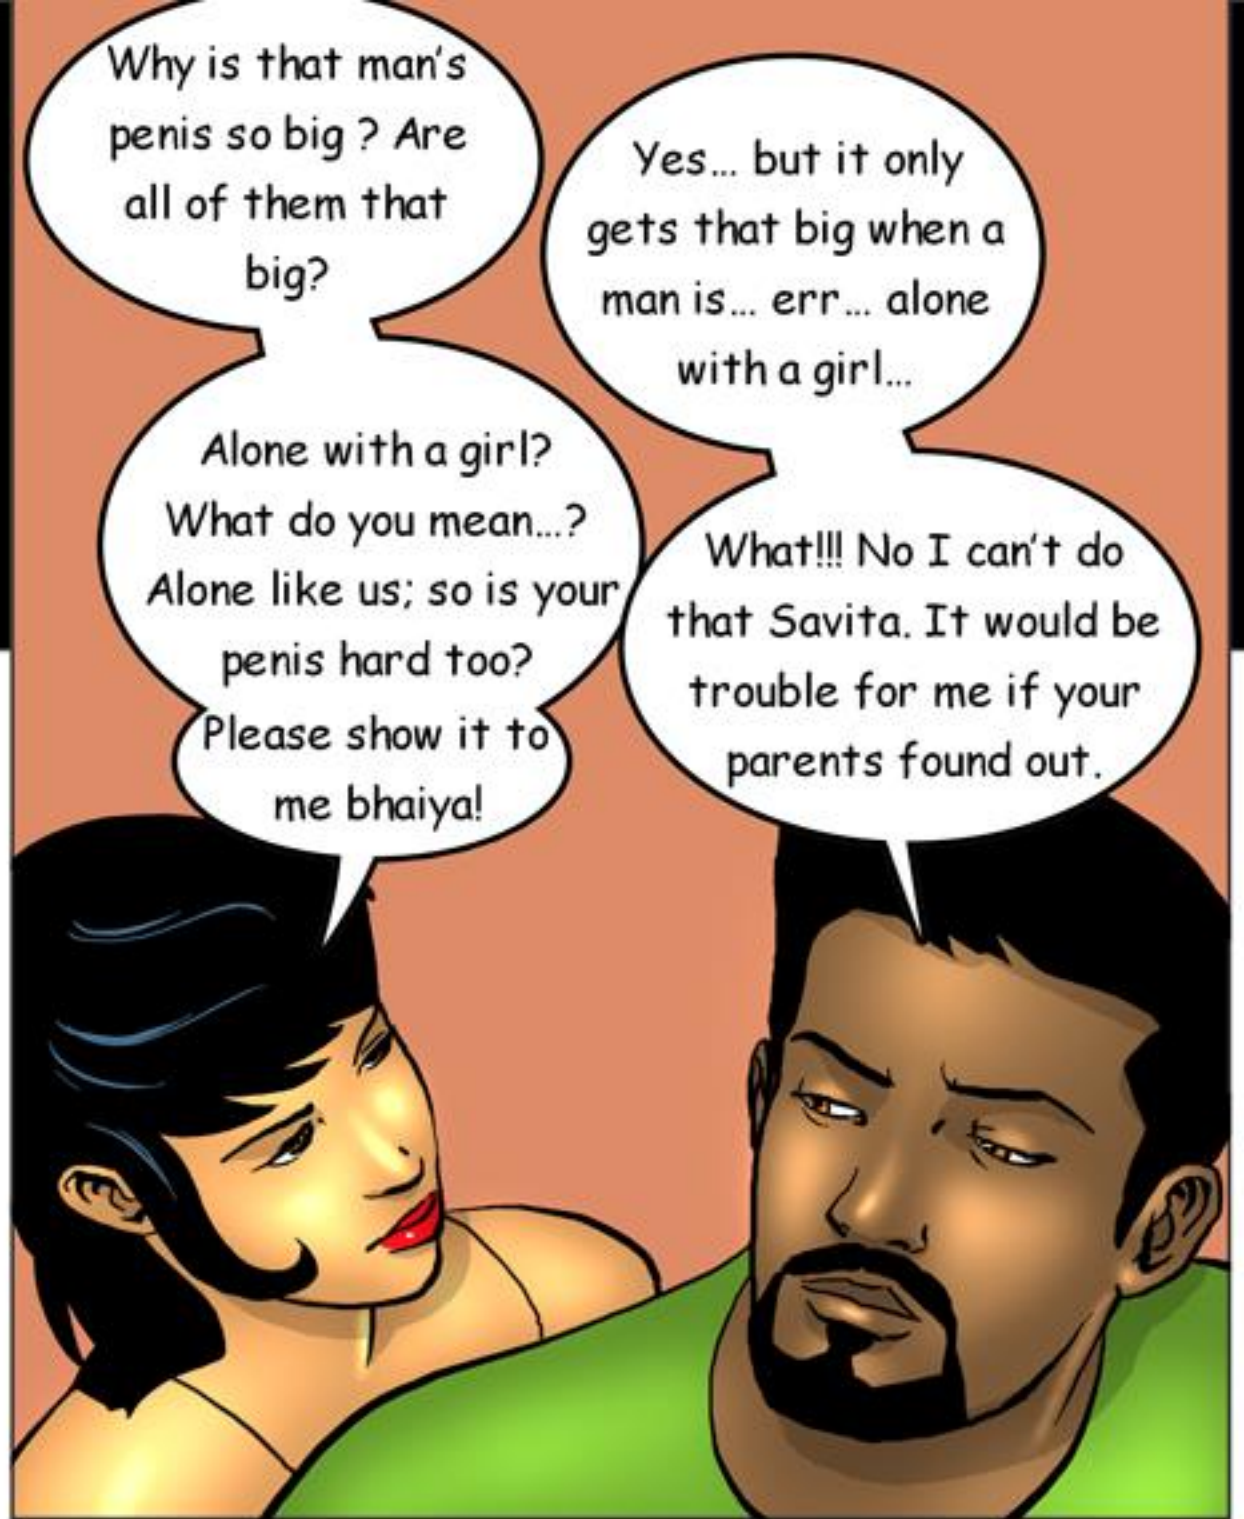

Ahhhh...Oooohhhh

Soon...

Those people are about to have sex Savita. That man is going to make that girl very very happy.

But why are you rubbing my body ? My breasts are tingling and my vagina is getting wet...

I'm going to make you feel as good as the girl in the movie Savita. Don't you see how happy she is?

He's fallen for my sweet girl act completely!

Well, let's begin at once!

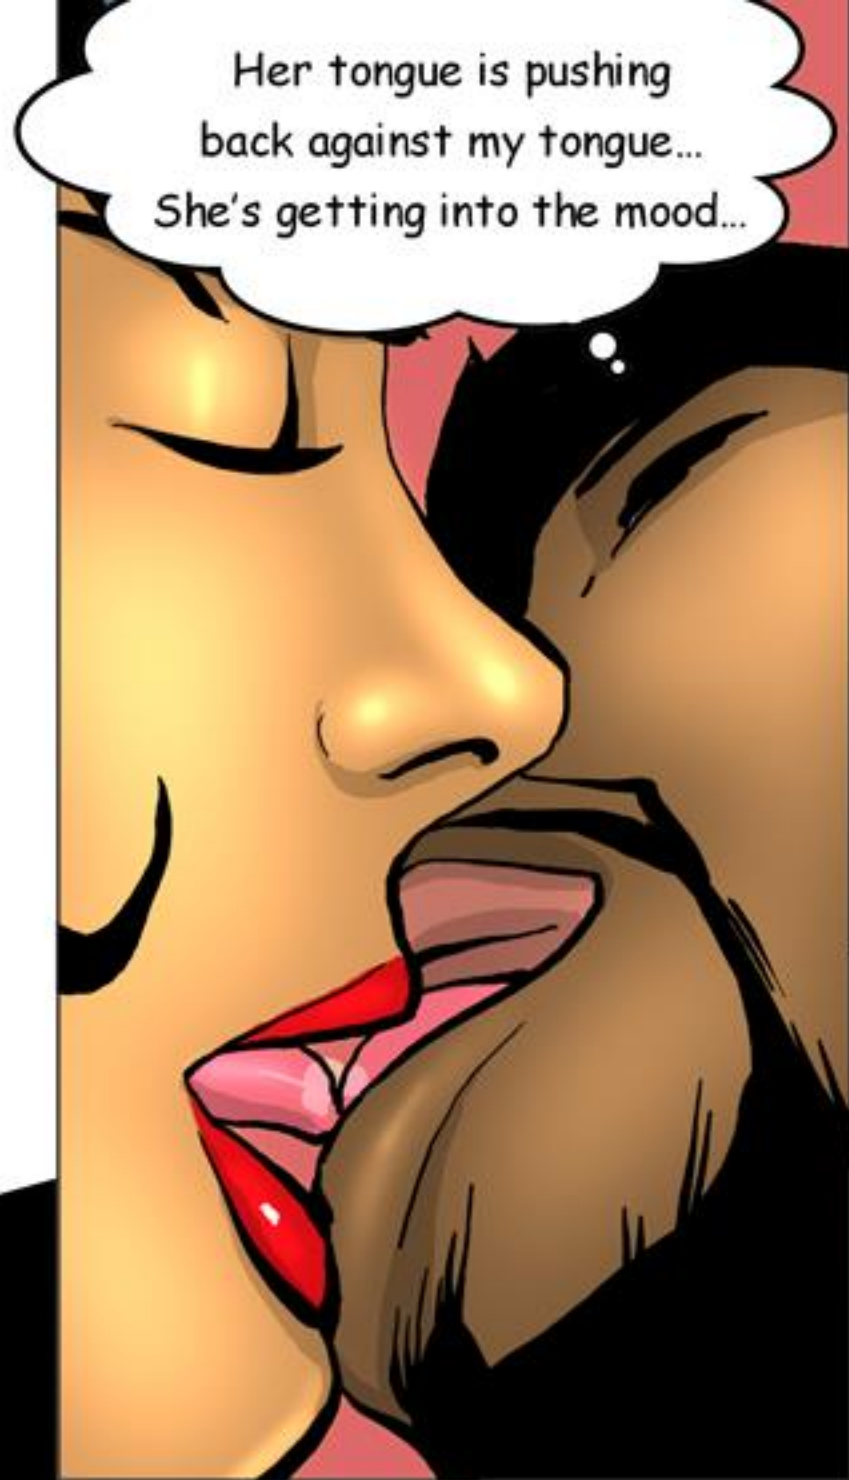

**SMOOCH**

Mmmm...He's French kissing me!

Her tongue is pushing back against my tongue... She's getting into the mood...

His tongue is twisting around my tongue... It's so hot and wet...

I can't resist such a cute girl!

You can hold on to me tighter if you want to.

Kiss meeee...

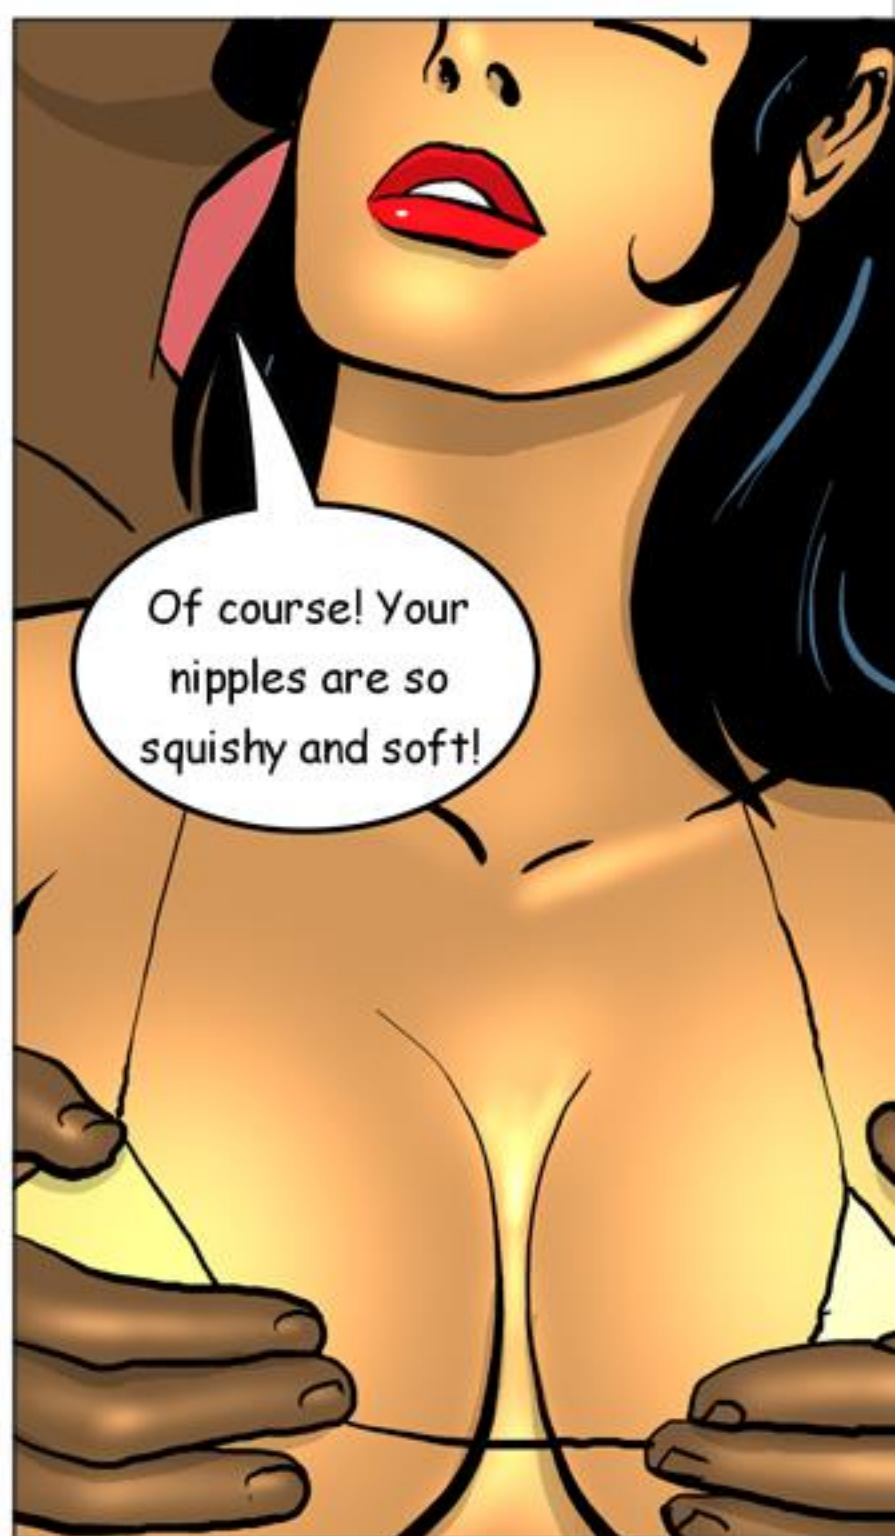

I can teach you how to kiss better by holding you closer.

She's clinging on to me so tight now... This girl is totally turned on now.

I thought that I would be the one teasing him today... but he's too amazing...

Ankit and Raj bhaiya were good but an older guy is totally different. Looks like I still have a lot to learn.

This feeling  
is incredible...  
He's amazingly good  
at this!

They are so big  
yet so tender. When  
did you grow a pair  
like this?

The way I feel  
when he licks them  
is out of this  
world!

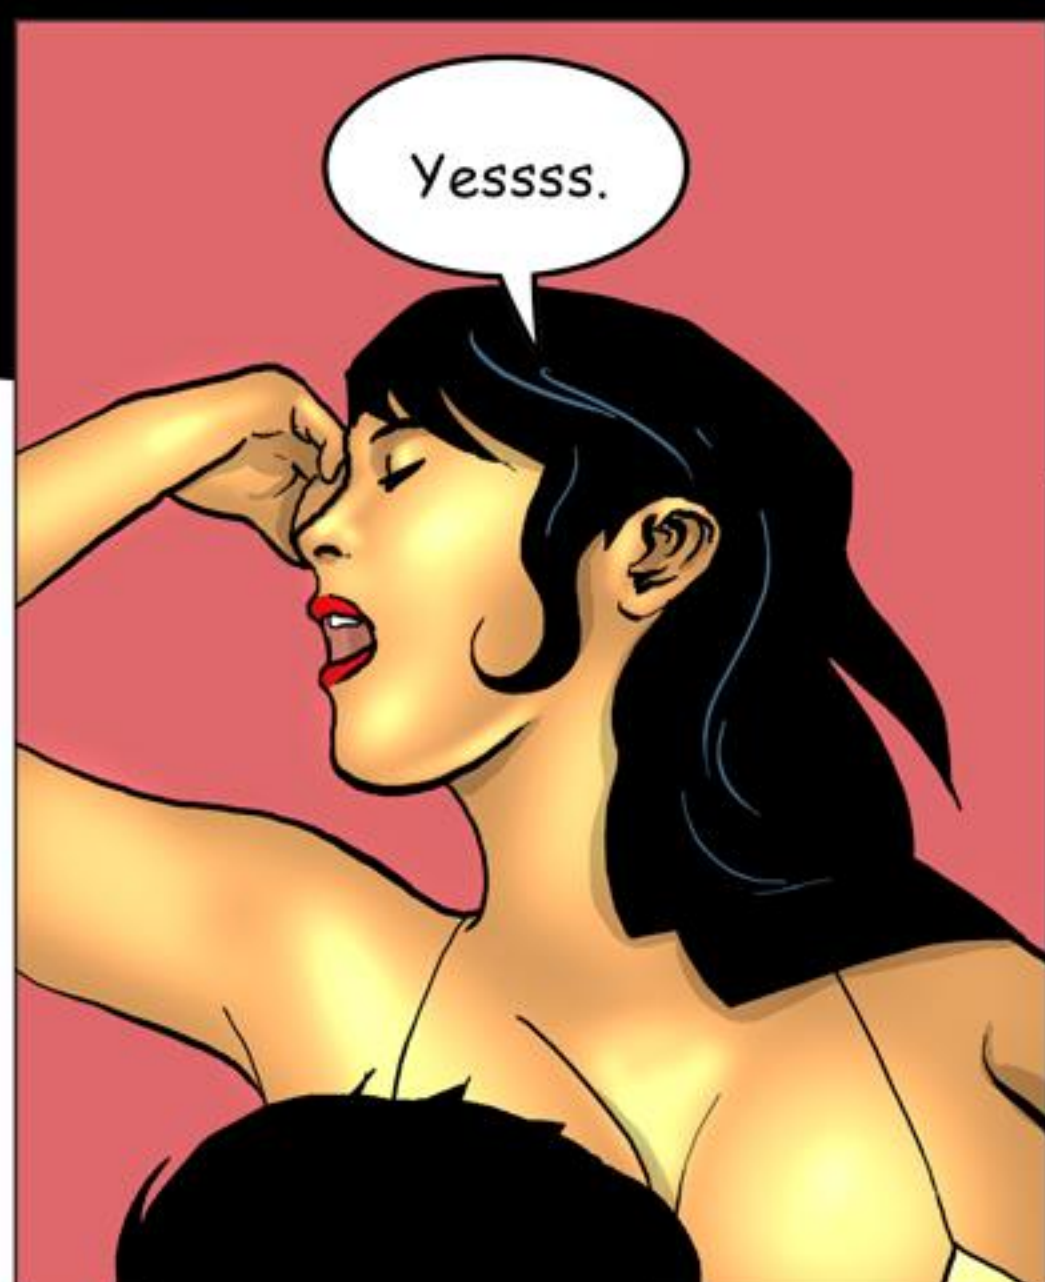

lick  
slurp

Ahhhh... My breasts  
are so sensitive. The  
feelings' making me  
cum!

AAAAHHHHHHH

Mmmm... Looks  
like you enjoy having  
your nipples teased,  
Savvi.

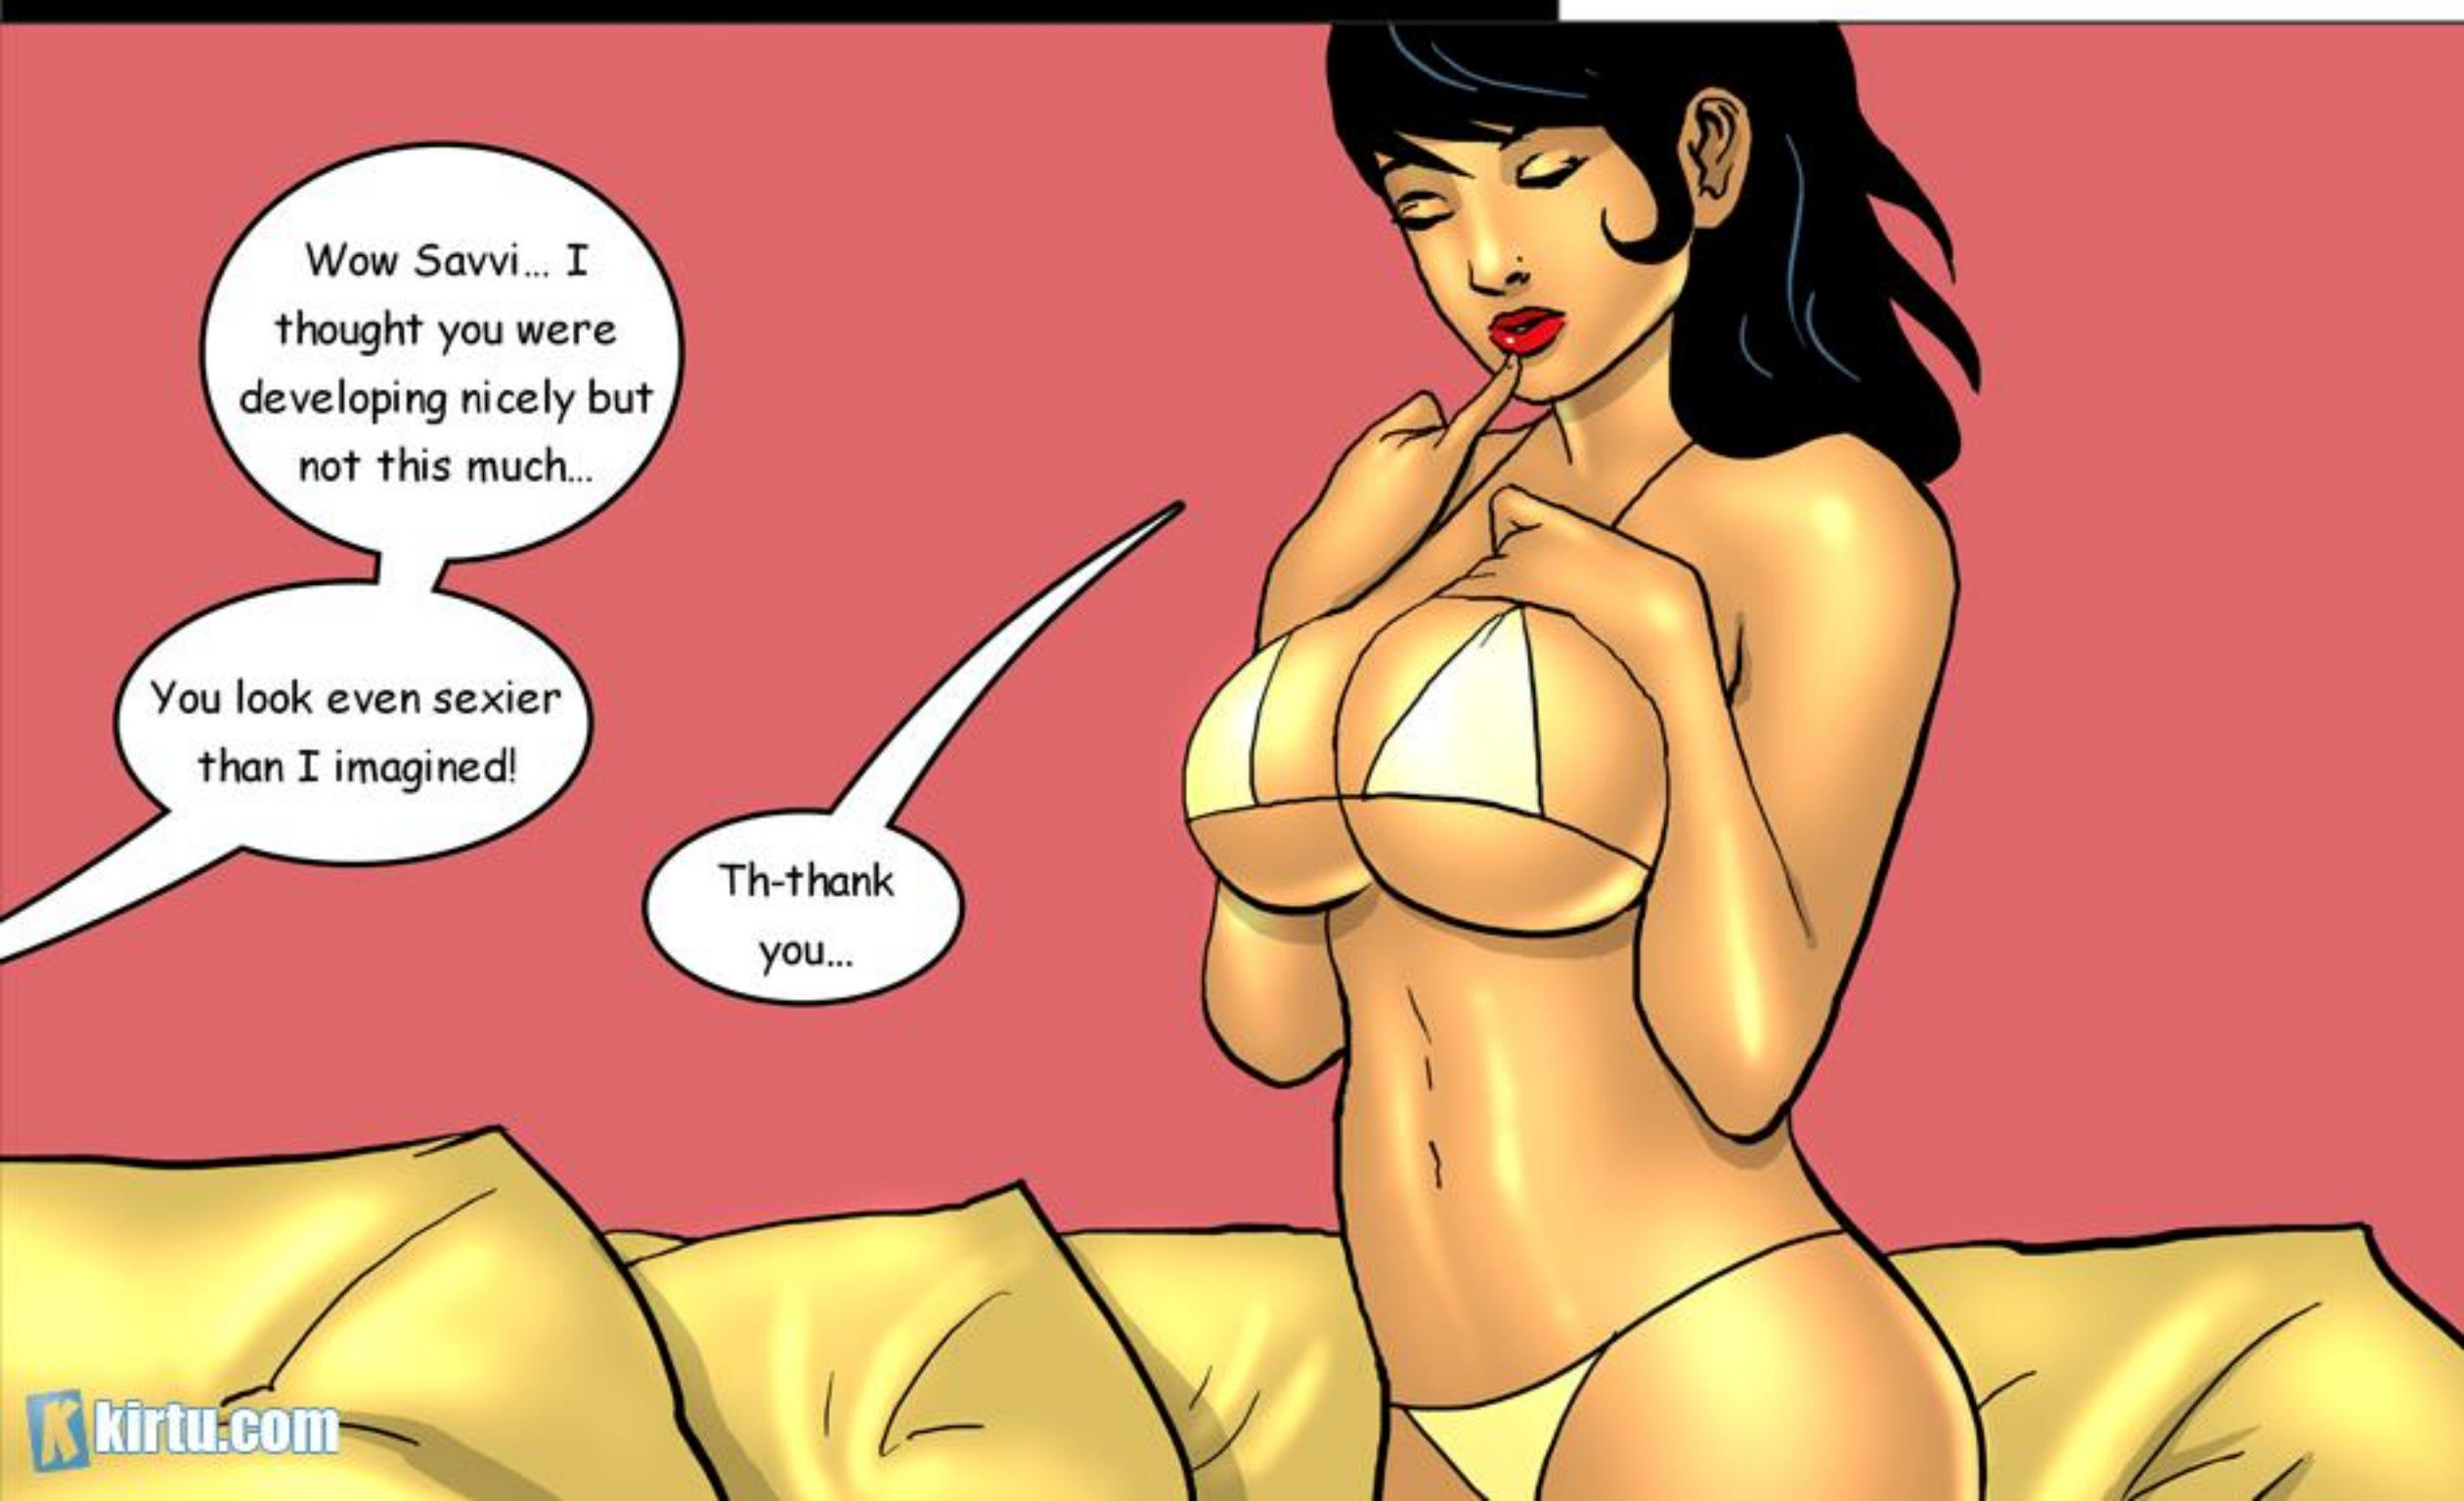

Yesssss.

That...that was  
amazing ... is this pleasure  
that the girl in the movie  
was feeling ?

Yes Savvi... and I can  
make you feel even more  
pleasure...

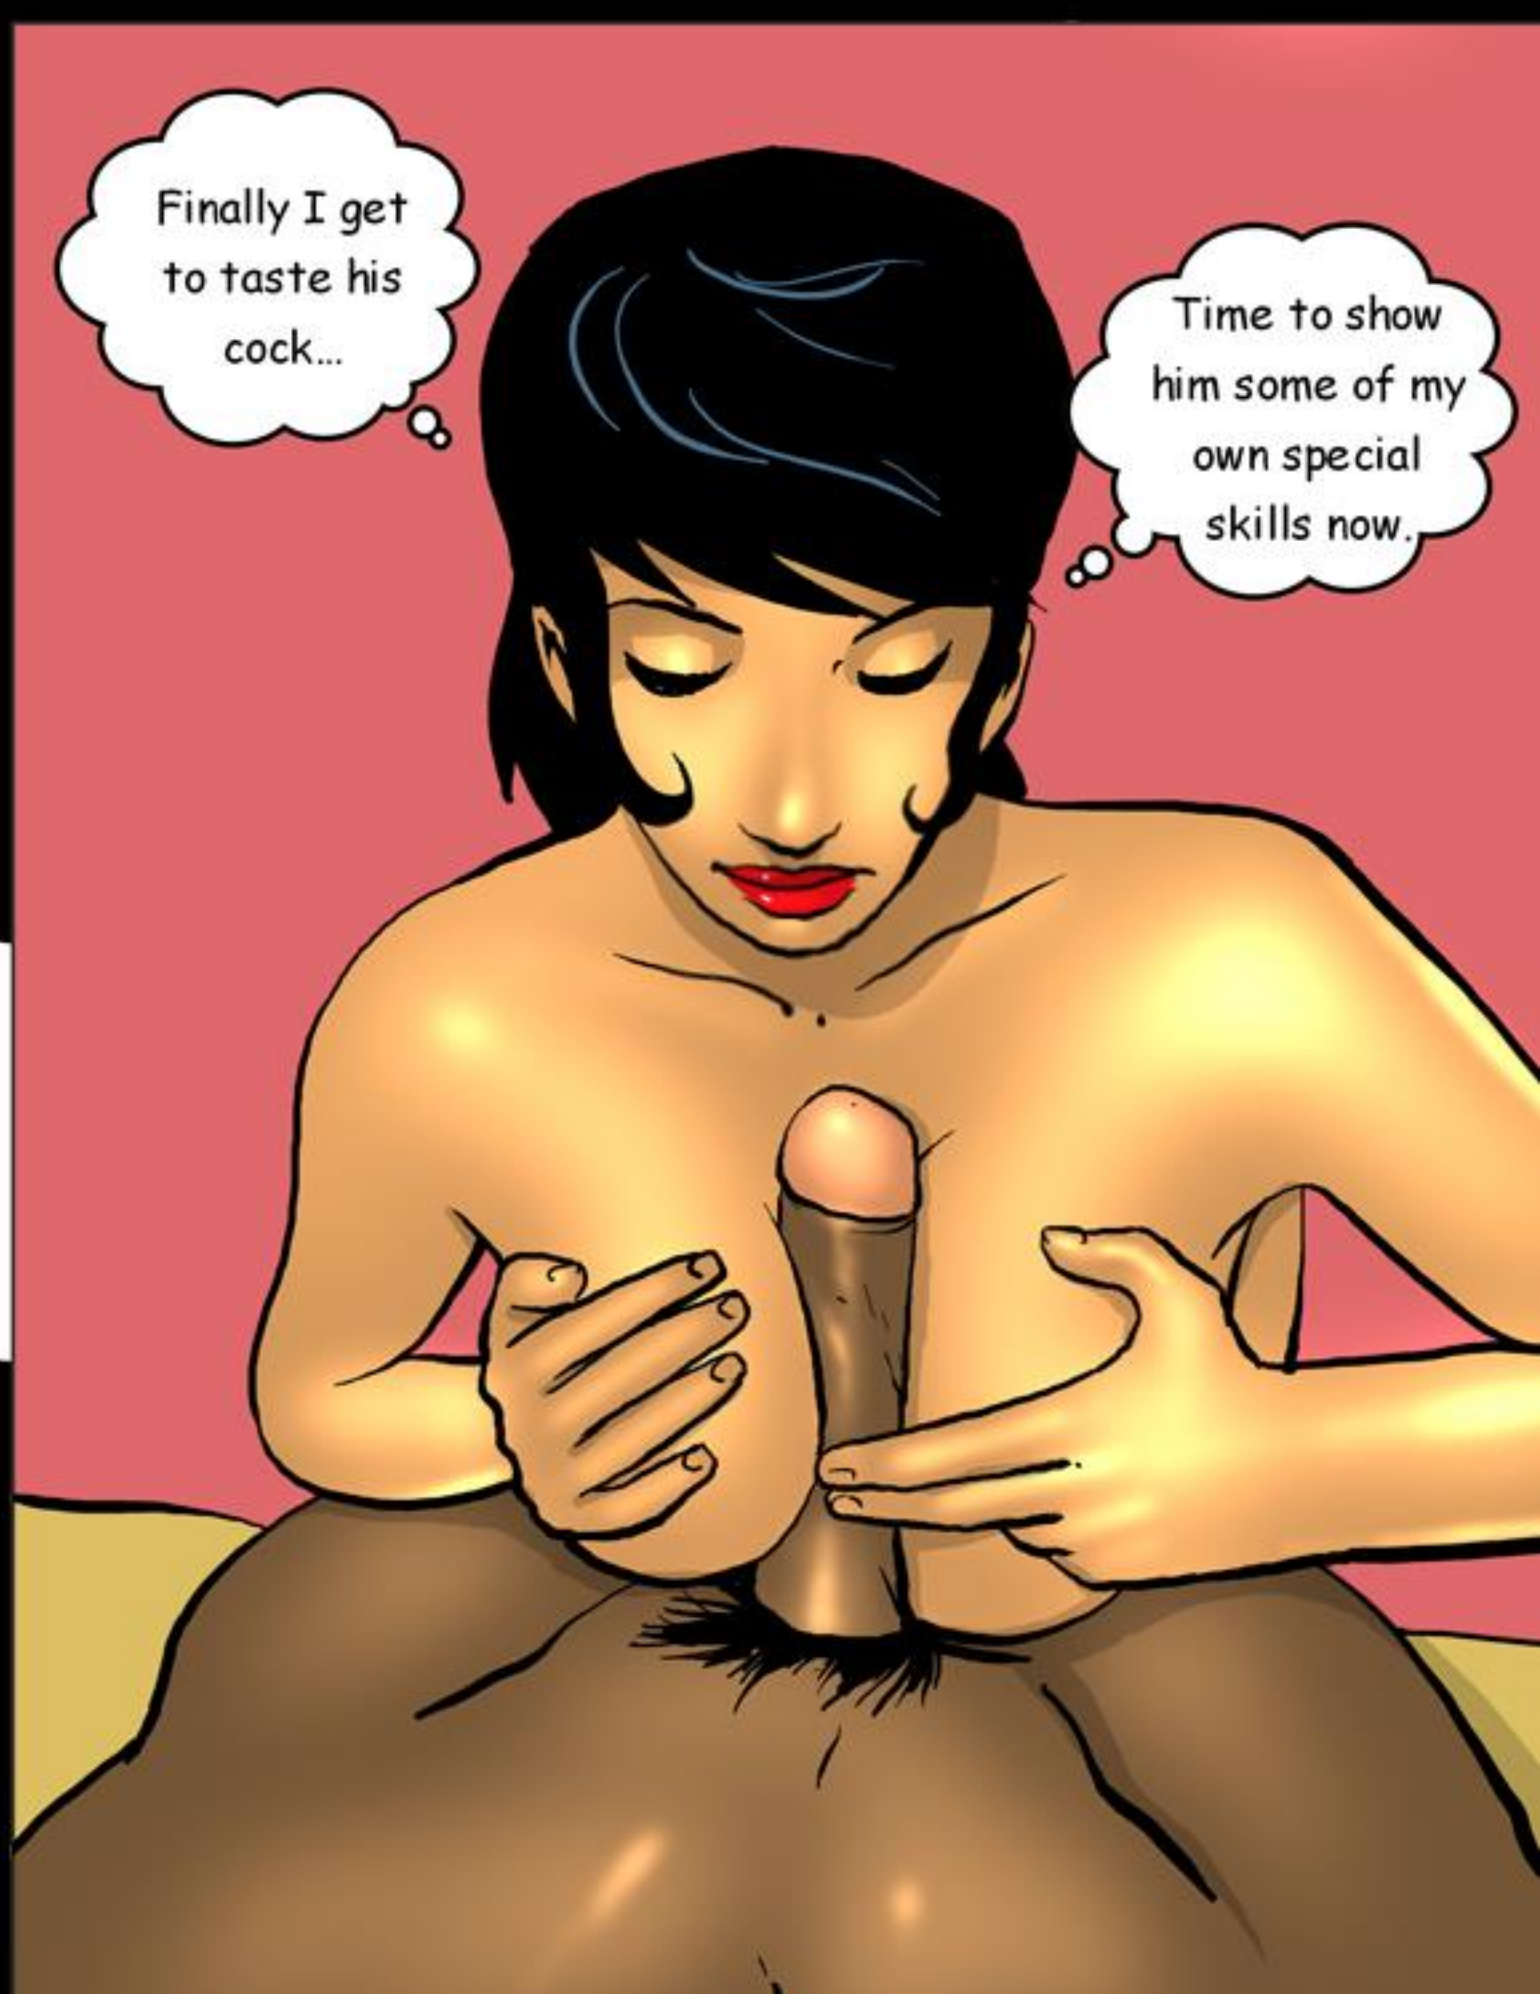

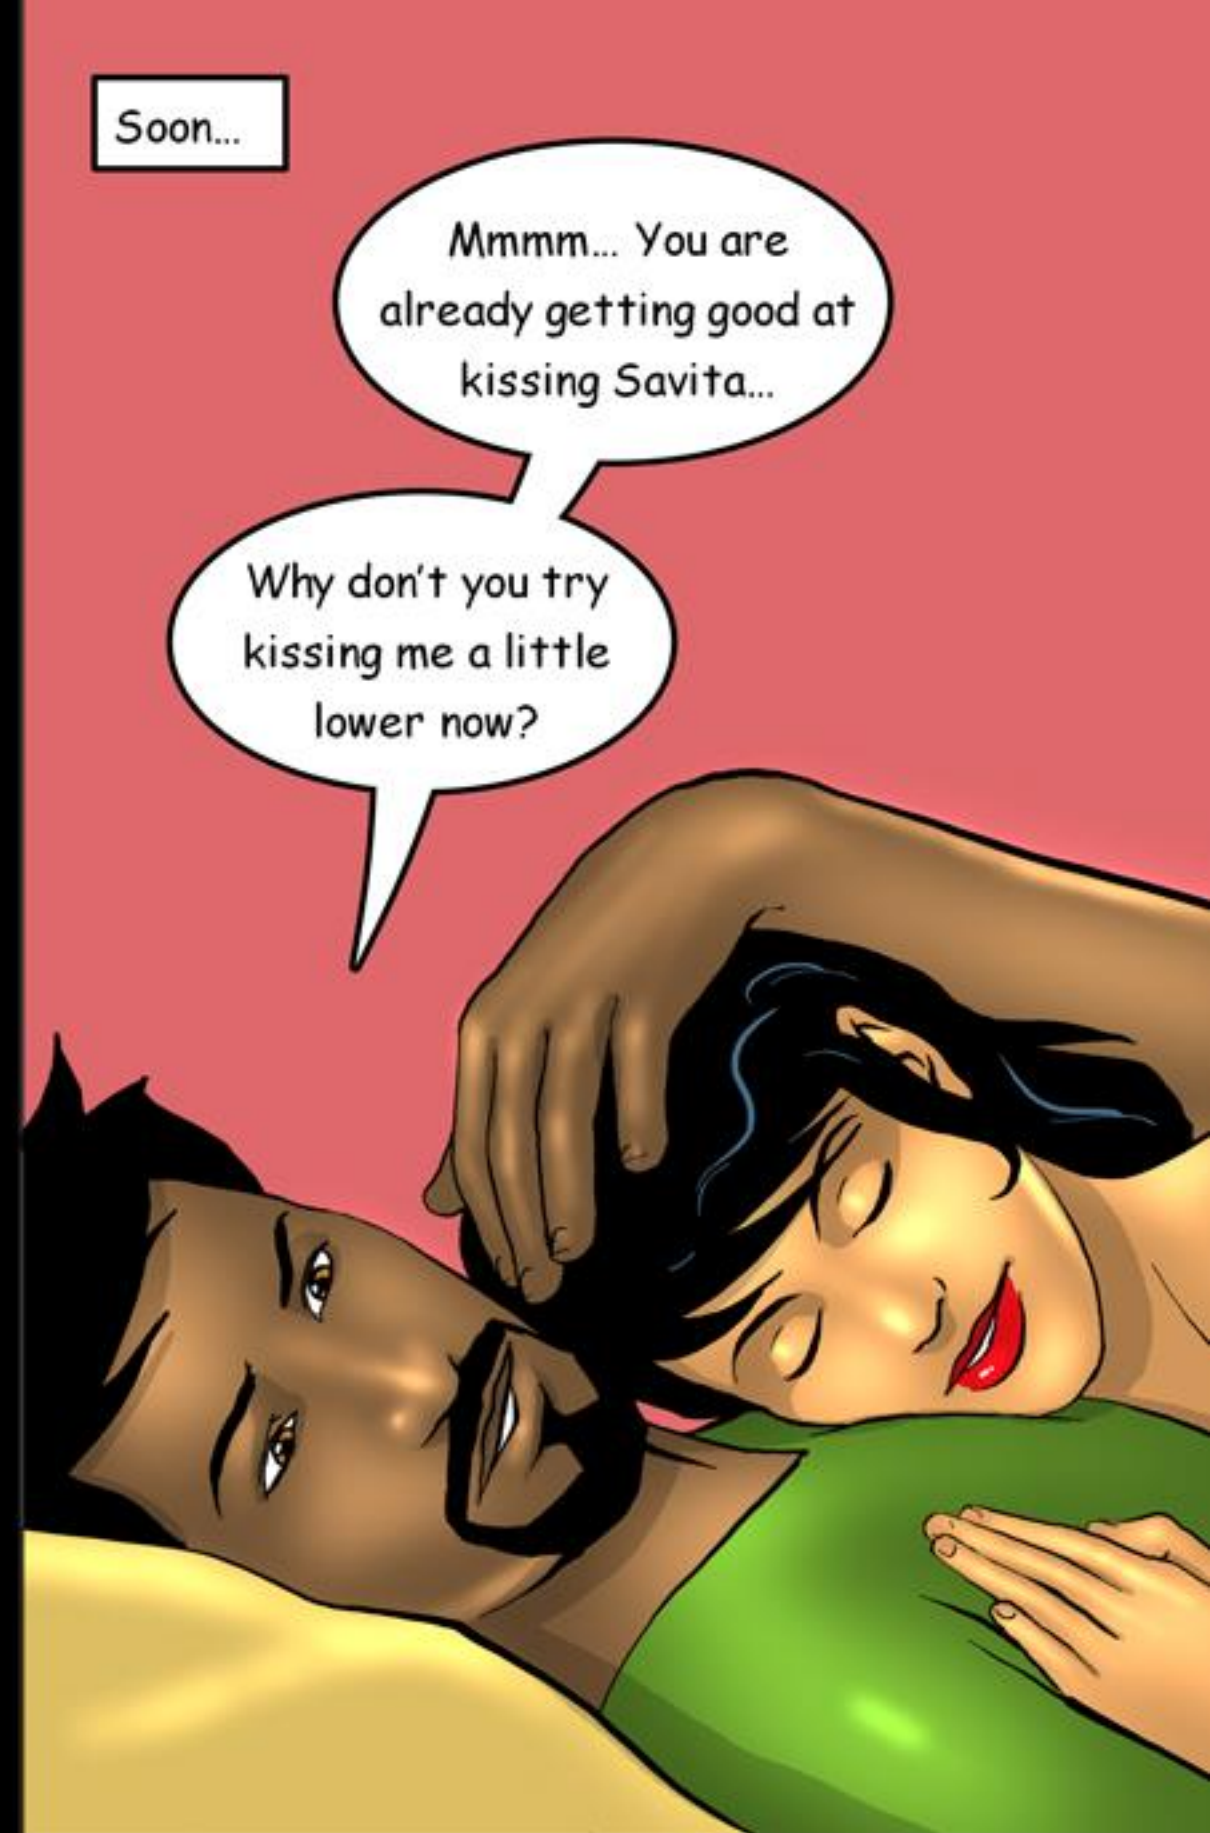

That's it Savvi...  
Now kiss my cock like  
the girl in the movie was  
doing.

Mmmm... Tastes  
even better than I  
could imagine...

And that strong  
smell... my head is  
getting dizzy...

Your balls are so big...  
There must be so much  
hot cum in these.

Hot and thick  
and throbbing...  
This cock is  
amazing...

I have an idea Savvi...  
Turn around and  
straddle me...

Let me teach you how  
good it feels when a  
man touches your

Whoaaa... Such a  
great view...

You are so wet down  
here Savvi!

Is that a good thing ?  
I've never felt anything  
like this before

Yess... yess...  
it is a very good thing  
that your pussy is so wet  
while you suck my cock!

A virgin's pink  
pussy... I can see all  
the way inside...

It's time for a  
little licking;  
Savita!

Ahhh... Your tongue is inside me... I'm feeling it...

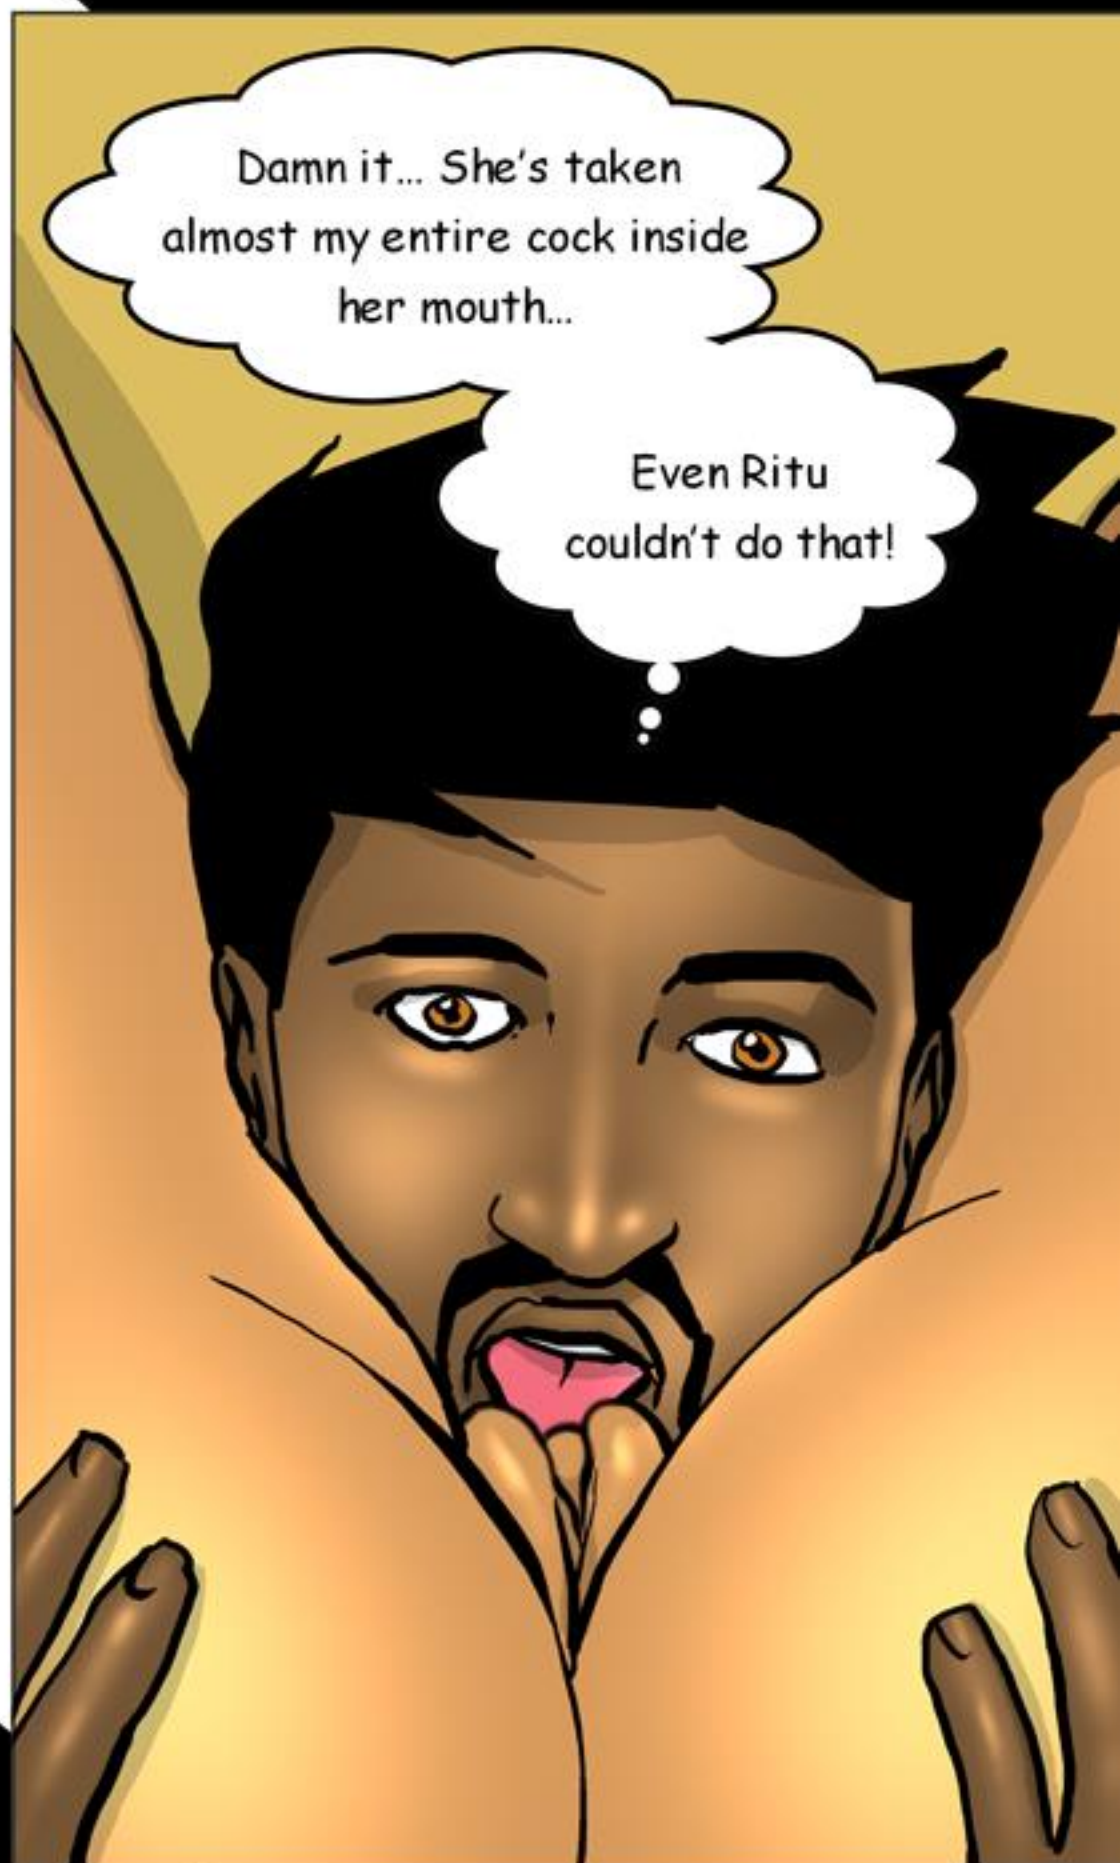

His cock is so big... I can hardly fit it inside my mouth...

Wow Savvi... There is so much honey in here...

and this musky smell is filling up my nostrils...

His cock is so good... I must take it all in...

Damn it... She's taken almost my entire cock inside her mouth...

Even Ritu couldn't do that!

You look so sexy in that pose Savita! Now repeat what I told you to say.

I'm going to make you a woman today Savvi...

So beg for my cock like a good girl.

But... that is so embarrassing!

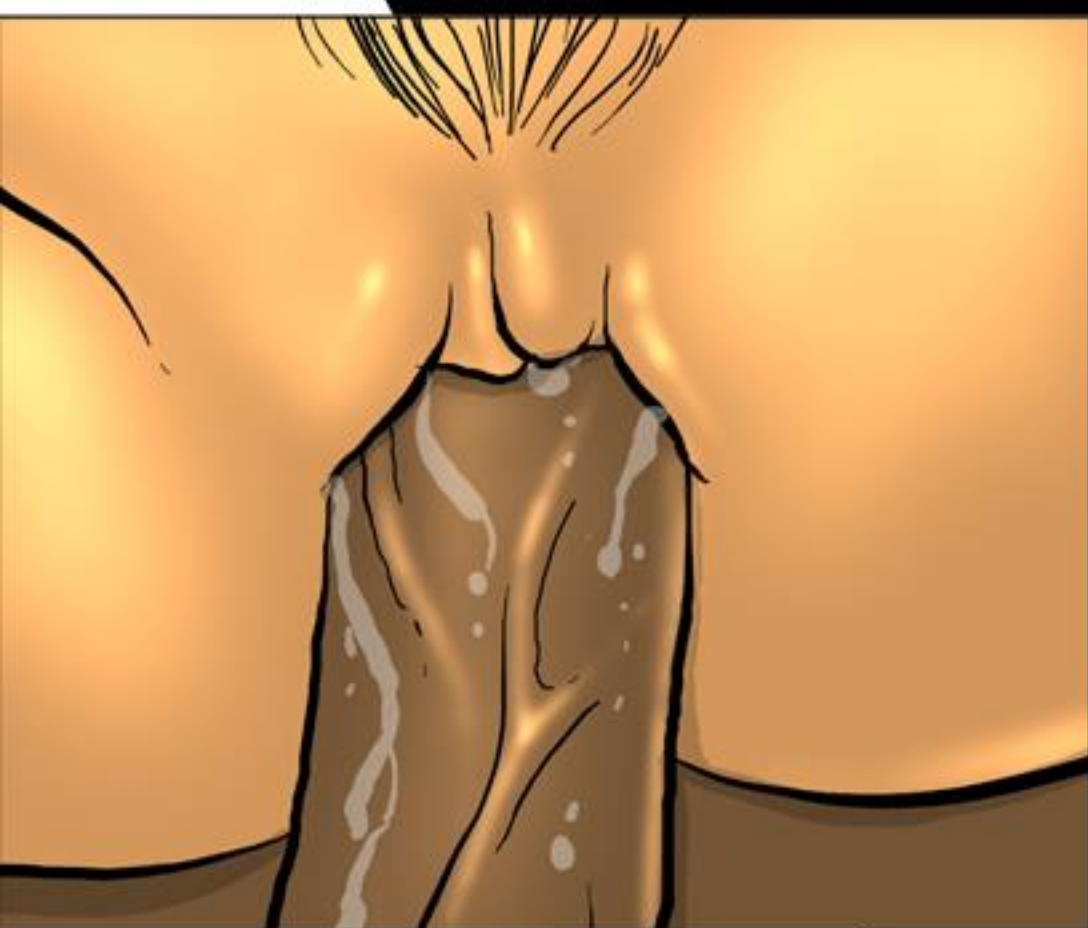

My pussy is melting away as it waits for you.

Please give it a hard pounding with your big, hard cock.

Take my wet virgin pussy and stick your hot shaft inside... Fuck my slutty pussy; Fuck me hard!

How can I refuse such a sweet request like that? Get ready for the best time of your life Savvi.

Deep! Ha-ha...  
you've still got 3  
more inches to go  
Savvi...

You still haven't  
got a taste of my  
full cock yet!

WHAT!!! Oh my god...  
My pussy would stretch  
apart if I tried  
anymore.

But I want to  
know how it feels to  
have something so  
big inside me!

Wow! I thought that  
sex with Ankit and  
Bhaiya felt good...

But this feels  
better than I could  
imagine even in my  
wildest dreams!

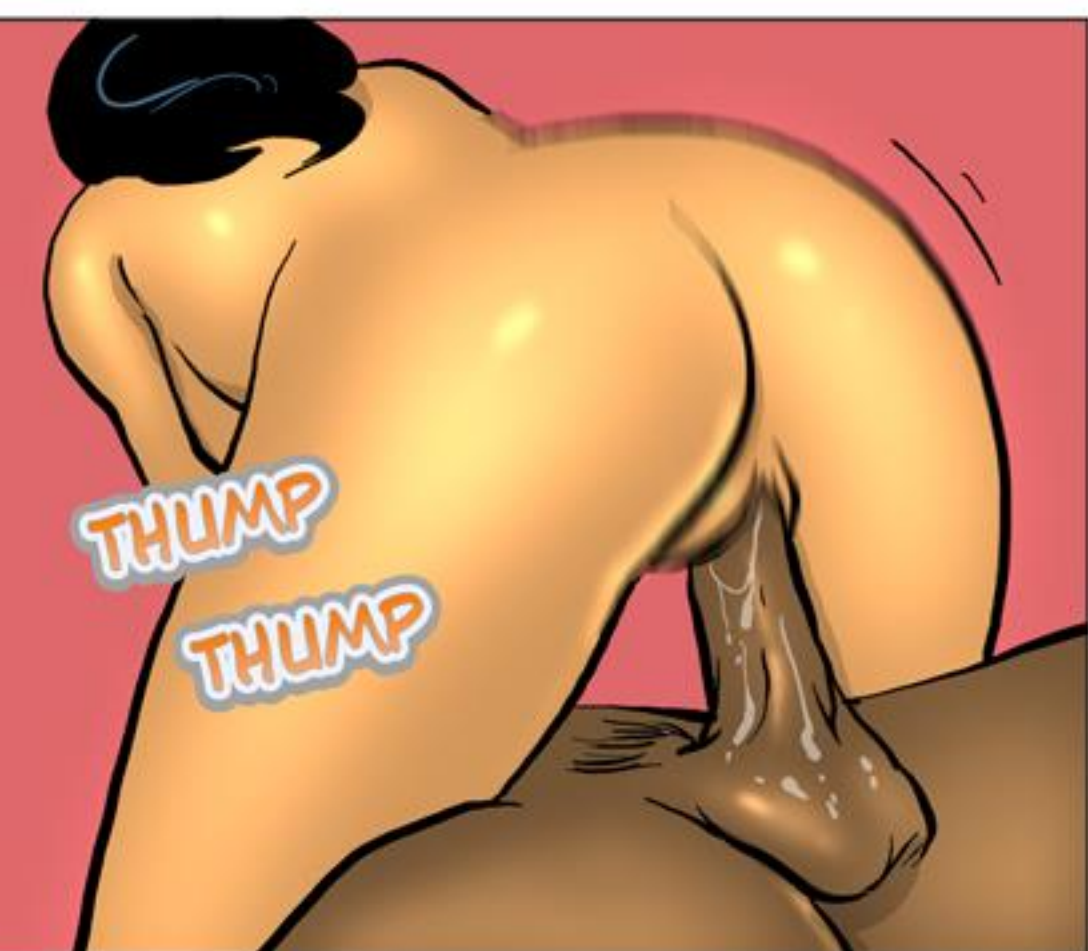

Mmmmm

Damn it Savvii...  
You are so fucking tight.  
I couldn't imagine it could  
fit inside you but your  
pussy is perfect for  
my big cock!

Mmmm...  
My pussy also  
loves how good  
your cock  
feels!

It's so huge  
and my pussy is so  
sensitive... I can  
feel it rubbing  
inside me.

Ahhh

Ahhh...  
I'm so happy  
I got to try out  
this big cock...

My insides  
are tightening up...  
This feeling is so  
good... I think I could  
get addicted to big  
cocks!

Look... Look...  
That position looks even  
more fun ... Let's try that  
too.

How does it  
feel to be losing your  
virginity to such a big  
cock Savvi?

It is incredible!  
I feel so sexy when  
being fucked by your  
long, hard cock!

Is this  
what it feels like  
to become a  
woman?

His cock  
has gotten even  
harder now... This  
position is so  
good.

His cock  
can thrust even  
deeper inside  
me like this!

**THUMP**

**THUMP**

How does it feel now Savvi? Do you enjoy having my cock pumping in and out of you?

Of course I LOVE it!

It's so hard; Your cock is so fucking hard!

AHHH  
OH MY GOD

Can you hear yourself now Savvi? An hour ago you didn't even know what sex meant and now...

Now you are moaning like a bitch in heat... Begging to be fucked even harder!

That's... that's because I love this cock so much... It's making me cum again!

Ahhhhhhhhh...

Fuck... Her pussy  
is tightening around  
my cock...

It's squeezing  
the cum out of me...  
I'm cumming too...

SPURT  
SPURT

Wow! He filled my pussy  
up with his thick white cum  
and he's still cumming.

SPURT  
SPURT

Mmm...  
Thank you for all  
this yummy cum!

This is the  
best gift that a  
naughty girl like me  
can get from her  
dear bhaiya!

In the evening...

**DING DONG**

I wish we could fuck one more time Savvi.

Mmmm...I do too. But it's almost time for mom to come home.

That must be her right now. Hurry up and get dressed

What took you so long to open the door?

Ummm... We were...err watching a movie with the volume turned high mom

So Rajesh, I hope you and Savita had fun today.

Oh yes, aunty. We watched a movie today.

Is that so? Then it seems I should reward you later for staying at home with Rajesh; Savita.

Don't bother about that mom. I already got a special gift today.

A BIG and HARD chocolate bar filled with thick white cream!

**THE END**
